

## reSITE Summer School

The future of cities depends on innovative, new infrastructure, concluded reSITE 2017 that attracted more than 1000 attendees to Prague and 50 international speakers such as Deputy Mayor of Paris Jean-Louis Missika or world famous architect Winy Maas. Lessons learned about infrastructure for a more livable future and wise urban planning from the most inspiring cities leaders, economists and architects are now online.

### **About reSITE**

reSITE is a non-profit platform that is supporting the understanding and synergies of architecture, urbanism, politics, culture and economics. It presents the ideas and projects of internationally renowned experts to professionals and to the wider public. For the past five years, reSITE has been inviting the world's top experts to Prague in the fields of urban planning, architecture and urban development, and political leaders

of inspirational cities. reSITE is not a closed-door conference. It brings a multitude of side events, debates, film screenings, exhibitions and bike rides for the general public. reSITE was founded in 2011 by Martin Barry, landscape architect, originally from New York. reSITE's program director is architect Osamu Okamura.
